**Entrance Examination for foreign students
Master Course of Bio-Nano Science Fusion
Graduate School of Interdisciplinary New Science
Toyo University**

1. Admission policy

The Graduate School of Interdisciplinary New Science, Toyo University, accepts motivated master course students from all over the world and creates internationally advanced researchers in the fields of bioscience, nanotechnology and bio-nano fusion science/technology, the latter being one of the most important subjects in the 21st Century.

2. Requirements for application

Persons who meet one or more of the following requirements and have excellent English skills for both communication and writing are eligible to apply for entrance to the Graduate School of Interdisciplinary New Science.

For entrance in April 2020

1. Persons with a Bachelor's Degree from a university or those who are expected to have such a degree by **31st March 2020**.

* Those who had school and university education for less than 16 years in total are requested to contact the following office by **28th June 2019**.

<p>Education and Student Affairs Section Kawagoe Campus Graduate School of Interdisciplinary New Science Toyo University 2100, Kujirai, Kawagoe, Saitama 350-8585, Japan Tel.: +81-49-239-1313, Fax: +81-49-231-5117 E-mail: fusion@toyo.jp Office Hours: 9:30-13:00, 14:00-16:45 Monday–Friday 9:30-12:45 Saturday</p>
--

2. Persons nominated by the Minister of Education, Culture, Sports, Science and Technology of Japan.

Note: Successful applicants must have already obtained their visa (College Student Status) by **2nd April 2020** (see Section 6.2 on Acquisition of visa).

**Course of Bio-Nano Science Fusion
Graduate School of Interdisciplinary New Science
Toyo University**

2100, Kujirai, Kawagoe, Saitama 350-8585, Japan
Tel: +81-49-239-1313, Fax: +81-49-231-5117
E-mail: fusion@toyo.jp
<https://www.toyo.ac.jp/academics/gslns/english/>

3. Documents necessary for the application

The following documents are necessary for the application.

All of the documents should be written in English.

The documents need to be issued within 3 months prior to the date of application.

1. Curriculum Vitae

Photograph, Present address, Telephone number, Fax number, E-mail address

Educational background, Academic (Research) background

* A photograph should also be submitted by JPEG to the following office, which will be used for the student I.D. card.

2. Bank transfer statement of the examination fee

3. Certificate(s) of (expected) Bachelor's degree and/or Master's degree

4. Academic transcript of the Bachelor and/or Master course.

5. Recommendation letter with the signature of the supervisor or equivalent person

6. Research plan

7. Medical certificate with the signature of a doctor

8. Copy of passport (photo page)

The application documents should reach the following office by e-mail during the period: **12th July ~ 19th July 2019.**

**Education and Student Affairs Section
Kawagoe Campus
Graduate School of Interdisciplinary New Science
Toyo University**
2100, Kujirai, Kawagoe, Saitama 350-8585, Japan
Tel.: +81-49-239-1313, Fax: +81-49-231-5117
E-mail: fusion@toyo.jp
Office Hours: 9:30-13:00, 14:00-16:45 Monday–Friday
9:30-12:45 Saturday

Note 1: Scanned files of the application documents can be accepted at the time of application, but the original documents must be submitted to the Graduate School of Interdisciplinary New Science, Toyo University on **2nd April 2020** (see Section 6.4).

If you cannot submit the original documents of No. 3 and No. 4, you can submit copies officially certified.

Expected Certificates should be replaced by the actual ones on **2nd April 2020.**

Note 2: The admission will be cancelled if documents are found to be false or forged.

- 2) The copy or scanned bank transfer statement should be immediately sent to the following office by e-mail (see Section 3.2).

<p>Education and Student Affairs Section Kawagoe Campus Graduate School of Interdisciplinary New Science Toyo University 2100, Kujirai, Kawagoe, Saitama 350-8585, Japan Tel.: +81-49-239-1313, Fax: +81-49-231-5117 E-mail: fusion@toyo.jp Office Hours: 9:30-13:00, 14:00-16:45 Monday–Friday 9:30-12:45 Saturday (Japan time)</p>
--

Note 1: All of the charges involved in the bank transfer at both ends should be paid by the applicant.

Note 2: The application will be cancelled if the fee is not paid during the above period.

- 3) Once the transferral of the examination fee has been confirmed, a confirmation e-mail will be sent to the applicant.

5. Criterion for acceptance and notification

- 1) The applicant's ability to carry out internationally advanced research at the master course is judged by the academic staff of the Graduate School of Interdisciplinary New Science on 24th August 2019 based on the documents 1, 3, 4, 5 and 6 shown in Section 3.
- 2) Only successful applicants will be notified by e-mail on 4th September 2019.
- 3) Toyo University will not respond to any enquiries concerning the result of the examination.

**Course of Bio-Nano Science Fusion
Graduate School of Interdisciplinary New Science
Toyo University**

2100, Kujirai, Kawagoe, Saitama 350-8585, Japan
Tel: +81-49-239-1313, Fax: +81-49-231-5117
E-mail: fusion@toyo.jp
<https://www.toyo.ac.jp/academics/gslns/english/>

6. Entrance procedures

“The Entrance Procedure” guide including the payment of fees will be attached to the e-mail for successful applicants on **4th September 2019**.

6.1 Entrance fee (JPY 270,000 or USD 2,400)

- 1) The entrance fee should be transferred directly to one of the bank accounts shown in Section 4 via telegraphic transfer during the period: **4th ~ 11th September 2019**.

Note 1: All of the charges involved in the bank transfer at both ends should be paid by the applicant. The entrance fee is not refundable.

Note 2: The application will be cancelled if the fee is not paid by the due date.

- 2) An official letter of entrance permission will be sent to the applicant by e-mail once the transferral of the entrance fee has been confirmed.

6.2 Acquisition of visa

- 1) Toyo University applies for Certificate of Eligibility for an applicant who has the Entrance Permission. The applicant may be required to send some documents evidencing financial support. It usually takes one or two months.
- 2) Toyo University sends the Certificate of Eligibility to the applicant.
- 3) The applicant applies for his/her visa to the Embassy of Japan in his/her own country. It usually takes one week.

Note : If the applicant cannot obtain an appropriate visa by the registration day, the admission will be cancelled. In this case, the entrance fee is not refundable.

6.3 Academic fees (JPY 800,000 or USD 7,000)

The academic fees for the first year should be transferred directly to one of the bank accounts shown in Section 4 via telegraphic transfer (see Tables 1 & 2).

Table 1 First year fees for the entrance in 2020

Entrance fee	Academic fees			Total fee
	Tuition fee	Facilities and equipment fee	Laboratory fee	
JPY 270,000 USD 2,400	JPY 550,000 USD 4,900	JPY 130,000 USD 1,100	JPY 120,000 USD 1,000	JPY 1,070,000 USD 9,400

**Course of Bio-Nano Science Fusion
Graduate School of Interdisciplinary New Science
Toyo University**

2100, Kujirai, Kawagoe, Saitama 350-8585, Japan
Tel: +81-49-239-1313, Fax: +81-49-231-5117
E-mail: fusion@toyo.jp
<https://www.toyo.ac.jp/academics/gslns/english/>

Table 2 Scheduled payment due dates

	Fees	Payment terms	Cost in Japanese ¥	Cost in US\$
Step 1	Entrance fee	4 th ~11 th September 2019	JPY 270,000	USD 2,400
Step 2	Academic fees (lump-sum)	26 th February ~ 4 th March 2020 .	JPY 800,000	USD 7,000
	Academic fees in instalments	26 th February ~ 4 th March 2020 .	JPY 400,000	USD 3,500
		Early October 2020 (The exact dates will be notified)	JPY 400,000	USD 3,500

Note 1: As the first step of the admission procedure, the entrance fee should be paid during the above period. This is necessary for the first year only (not refundable).

Note 2: As the second step, the academic fees should be paid lump-sum in principle. However, as per the above, payment by instalments is available if necessary.

Note 3: Toyo University provides a “Tuition Exemption” programme for privately-funded international students with excellent academic performance and a college student status visa (In the academic year 2019, 30% of the tuition fee has been deducted, but the amount for 2020 may change.)

The detailed information such as application criteria will be given at the orientation on **2nd April 2020**.

Note 4: For more details, please refer to “the Entrance Procedure” guide attached to an e-mail to be sent to successful applicants on **4th September 2019**.

6.4 Registration

The registration will take place on **2nd April 2020** at the Graduate School of Interdisciplinary New Science, Toyo University. (All the original documents should be submitted on this occasion.)

6.5 Refundable fees

If, for some unavoidable reason, a successful student is unable to enter the Graduate School of Interdisciplinary New Science, Toyo University, all the fees (except the entrance fee) will be refunded according to the procedure prescribed by Toyo University. Contact the following office for full details:
