	Name of Faculty		To be Confirmed				
	Name of Department		English and Applied Linguistics				
	Subject (Code name, if any)		Purposive Communication GEPCOMM				
	Program Description & syllabus		This online course, PURPOSIVE COMMUNICATION, hones the ability of students to ethically, effectively, and professionally communicate, through the strategic use of various communicative forms, with different multicultural audiences and for different purposes in various modes. This course specifically develops the students' ability to use their communication skills and to use technology for civic participation in support of UN's Sustainable Development Goals (SDG). The course is anchored on an interdisciplinary approach and in outcomes-based education (OBE). In addition, the process-approach and the genre-based approach to purposive communication will be used to teach this online course.
