Toyo University is partnering with the UMAP International Secretariat and global UMAP members and launches a new virtual exchange program in 2021 based on the UMAP Online Exchange Program, so it called “SDGs Online Cross-Registration: Online Exchange Program (OEP) focusing on SDGs”. This program allowed students take courses at various UMAP institutions as well as Japanese universities without leaving their home countries. This program is supported by the Ministry of Education, Culture, Sports and Technology in Japan.

In AY2022, 17 courses were provided by 9 universities. The below table is an extract of the AY2022 course list.

University	Country	Courses
UKM	Malaysia	Innovation and Technology in Teaching and Learning
Curtin University	Australia	Communication, Culture & Indigenous Perspectives in Business Communication, Business and Sustainable Development ,etc
De La Salle University	Phillipines	Environmental Philosophy
Institut Teknologi Sepuluh Nopember (ITS Surabaya)	Indonesia	Introduction to Industrial System and Engineering Course at ITS Surabaya
Kansai University	Japan	Global Advanced Study (*only for graduate students)
Kansai University of International Studies	Japan	Reading Sogo 1: Approaches to Local and Global Environmental Issues
Shibaura Institute of Technology	Japan	Nanostructure Physics, Diversity and Cultures of other countries, etc
Toyo University	Japan	Environmental Communication/Social Responsibility Peace Studies, etc

(note) Different courses will be provided in AY2023. The 2023 course list will be released on July 7, 2023 on the website.
