## ◆Guidance by each Course:

Monday, April 1, 2024 @12:00-12:30

Course of Civil Environmental Engineering: RM2104(1st floor, BLD2)

Monday, April 1, 2024 @13:10- (1st floor, BLD 2)

Course of Advanced Mechatronics System:RM2101

Course of Electricity, Electronics and Communications:RM2105

Course of Applied Chemistry:RM2102

Course of Architecture:RM2103

Course of Information Science and Arts:RM2107

## **About health checkup**

The health checkup is scheduled to be held from **April 1 (Mon) to April 4 (Thu)**, and the dates will vary depending on your gender and course.

Details will be announced at a later date, so please be sure to check the announcement.

- If you have been instructed by a medical institution to stay at home, including on April 1st, or if you have symptoms such as fever, cough, or sore throat on the day of the event, please prioritize your physical condition and refrain from participating.

- Everyone will have their temperature taken on the day of the event, and if a fever of 37.5 degrees or higher, you may be asked to refrain from participating.

If you will be absent for any of the reasons listed above, please contact following immediately: [mlkdaigakuin@toyo.jp](mailto:mlkdaigakuin@toyo.jp)
