*The above schedule is subject to change.

*The contents are the same with Toyo Online Summer Program 2023

Comments from last year's students

"The interactive class was such a great way to listen to accurate pronunciation, practice listening skills, speaking skills, and comprehension skills, all while being one of the most fun parts of the course!"

"I was not too comfortable reading hiragana and katakana at the beginning of class, but seeing it everyday was very useful in being comfortable with it."
