introduce my hometown, Sydney.

Sydney has the largest population in Australia and is often said to be one of the most beautiful cities in the world. Sydney is much busier and more popular than Canberra.

There are three famous places for sightseeing in my town. They are the Opera House, the Harbour Bridge and The Rocks. The Opera House looks strange on the outside. It looks like shells. Every year many people visit to see operas, musicals, and so on.

The Harbour Bridge is also a symbol of Sydney. It started to be built in 1923 and was completed in 1932. You can enjoy a sightseeing tour called "Bridge Climb." The view from the top of the bridge is great both in the daytime and at night. The old town area is called "The Rocks." There are a lot of historical buildings, cafes, shops and hotels. I often eat out with my friends there. I recommend this place the most. I hope many Japanese people will enjoy my hometown.
