One kind of music that many people never experience is opera. That is too bad. Opera is more than just music. It is an event that you hear, see, feel, and remember. An evening at the opera will ①() in your () for a long time after the opera *is over.

First, if you go to the opera, you will certainly hear music. The music comes from a group of people who play many different kinds of *musical instruments. *Typically, there are string instruments. Also, there are drums and wind instruments like the flute. Together, these instruments create (X) that has the power to tell a story and give a big impact on the feelings of everyone in the *audience. But the (X) is not the only thing that you hear at the opera. At the opera, performers sing *in addition to the musicians who play the instruments. But what do they sing ?

Opera singers tell a story through their songs. ②(characters / sometimes told / singing / the story / by / to / is) the audience. But more often, the characters in the opera sing to each other, like characters in a play speak to each other.

Usually the story in an opera is about something sad that happens in your lives. Also, the words of the song are often in a language *other than English. This is because opera began in Italy. However, operas are also ③done in French and Russian, too. If you do not know the language, it is important that you read about the story before you go. That way, you can follow the (Y) on stage. ④You can also use the feeling of the music to understand what is happening on the stage. So in this way, opera is music, but it is also a (Y) like a play.

However, opera is also much more than music and a story. Opera is an experience. When you go to the opera, it is a *formal event. People put (⑤) very nice clothes. They often go out to dinner first and then go to the opera. The opera house is usually very nice, too. Everything, *including the carpet, chairs, and lights, is very *fancy and expensive.

So when you go to the opera, you not only hear great music and see a good story, but you also have a very different experience (⑥) most other kinds of *entertainment.

[注] be over : 終わる musical instruments : 楽器 typically : 主に audience : 観客
 in addition to ~ : ~に加えて other than ~ : ~以外の formal : 格式ばった
 including ~ : ~を含めて fancy : ぜいたくな entertainment : 娯楽
